

NEW STOCK ARRIVAL
Bode Heavy Duty Self Aligning Rotators
Capacity: 300 Tonnes
Manufactured: 2009
Three sets available - including anti-creep

Bode Heavy Self Aligning Rotators

This is a rare opportunity to purchase three identical sets of the very latest 2009 Bode Self Aligning Rotators. These machines have had minimum use and are offered in first class condition. I am confident the first to see these will buy.

Each set has the added advantage of having anti-creep fitted to each idler unit.

Offered at a huge saving against new we invite customers to view these at anytime at our depot in Oud Castle Netherlands, located approximately 30 minutes from Rotterdam.
